VISION & MISSION OF DFT

Vision

To be a trusted and preferred social service organization in providing services in education, health, environment and focus on humanitarian development

Mission

To accelerate philanthropic service and help transform the society aiding in community-led changes

MESSAGE FROM THE PRINCIPAL

“Ask not what your country can do for you – ask what you can do for your country,” - John F. Kennedy

Warm greetings to all.

We are very proud to publish the August month News Letter of our school. We thank Lord Almighty for keeping as safe all our Students, Parents, teaching and non-teaching Staff. May God shower his blessings upon us throughout the year.

Really we are very proud to be an Indian, we are celebrating 78th Independence day of India with pomp and show it is all our prime duty to preserve national integrity, universal harmony and eternal peace throughout our nation. Everyone should come forward to respect all human beings and reveal the inner love and affection towards others. On this occasion we shall remember all our patriotic leaders and their family members for their selfless services, noble ideas, loyalty and commitment to get freedom for our nation.
